Diablo VT

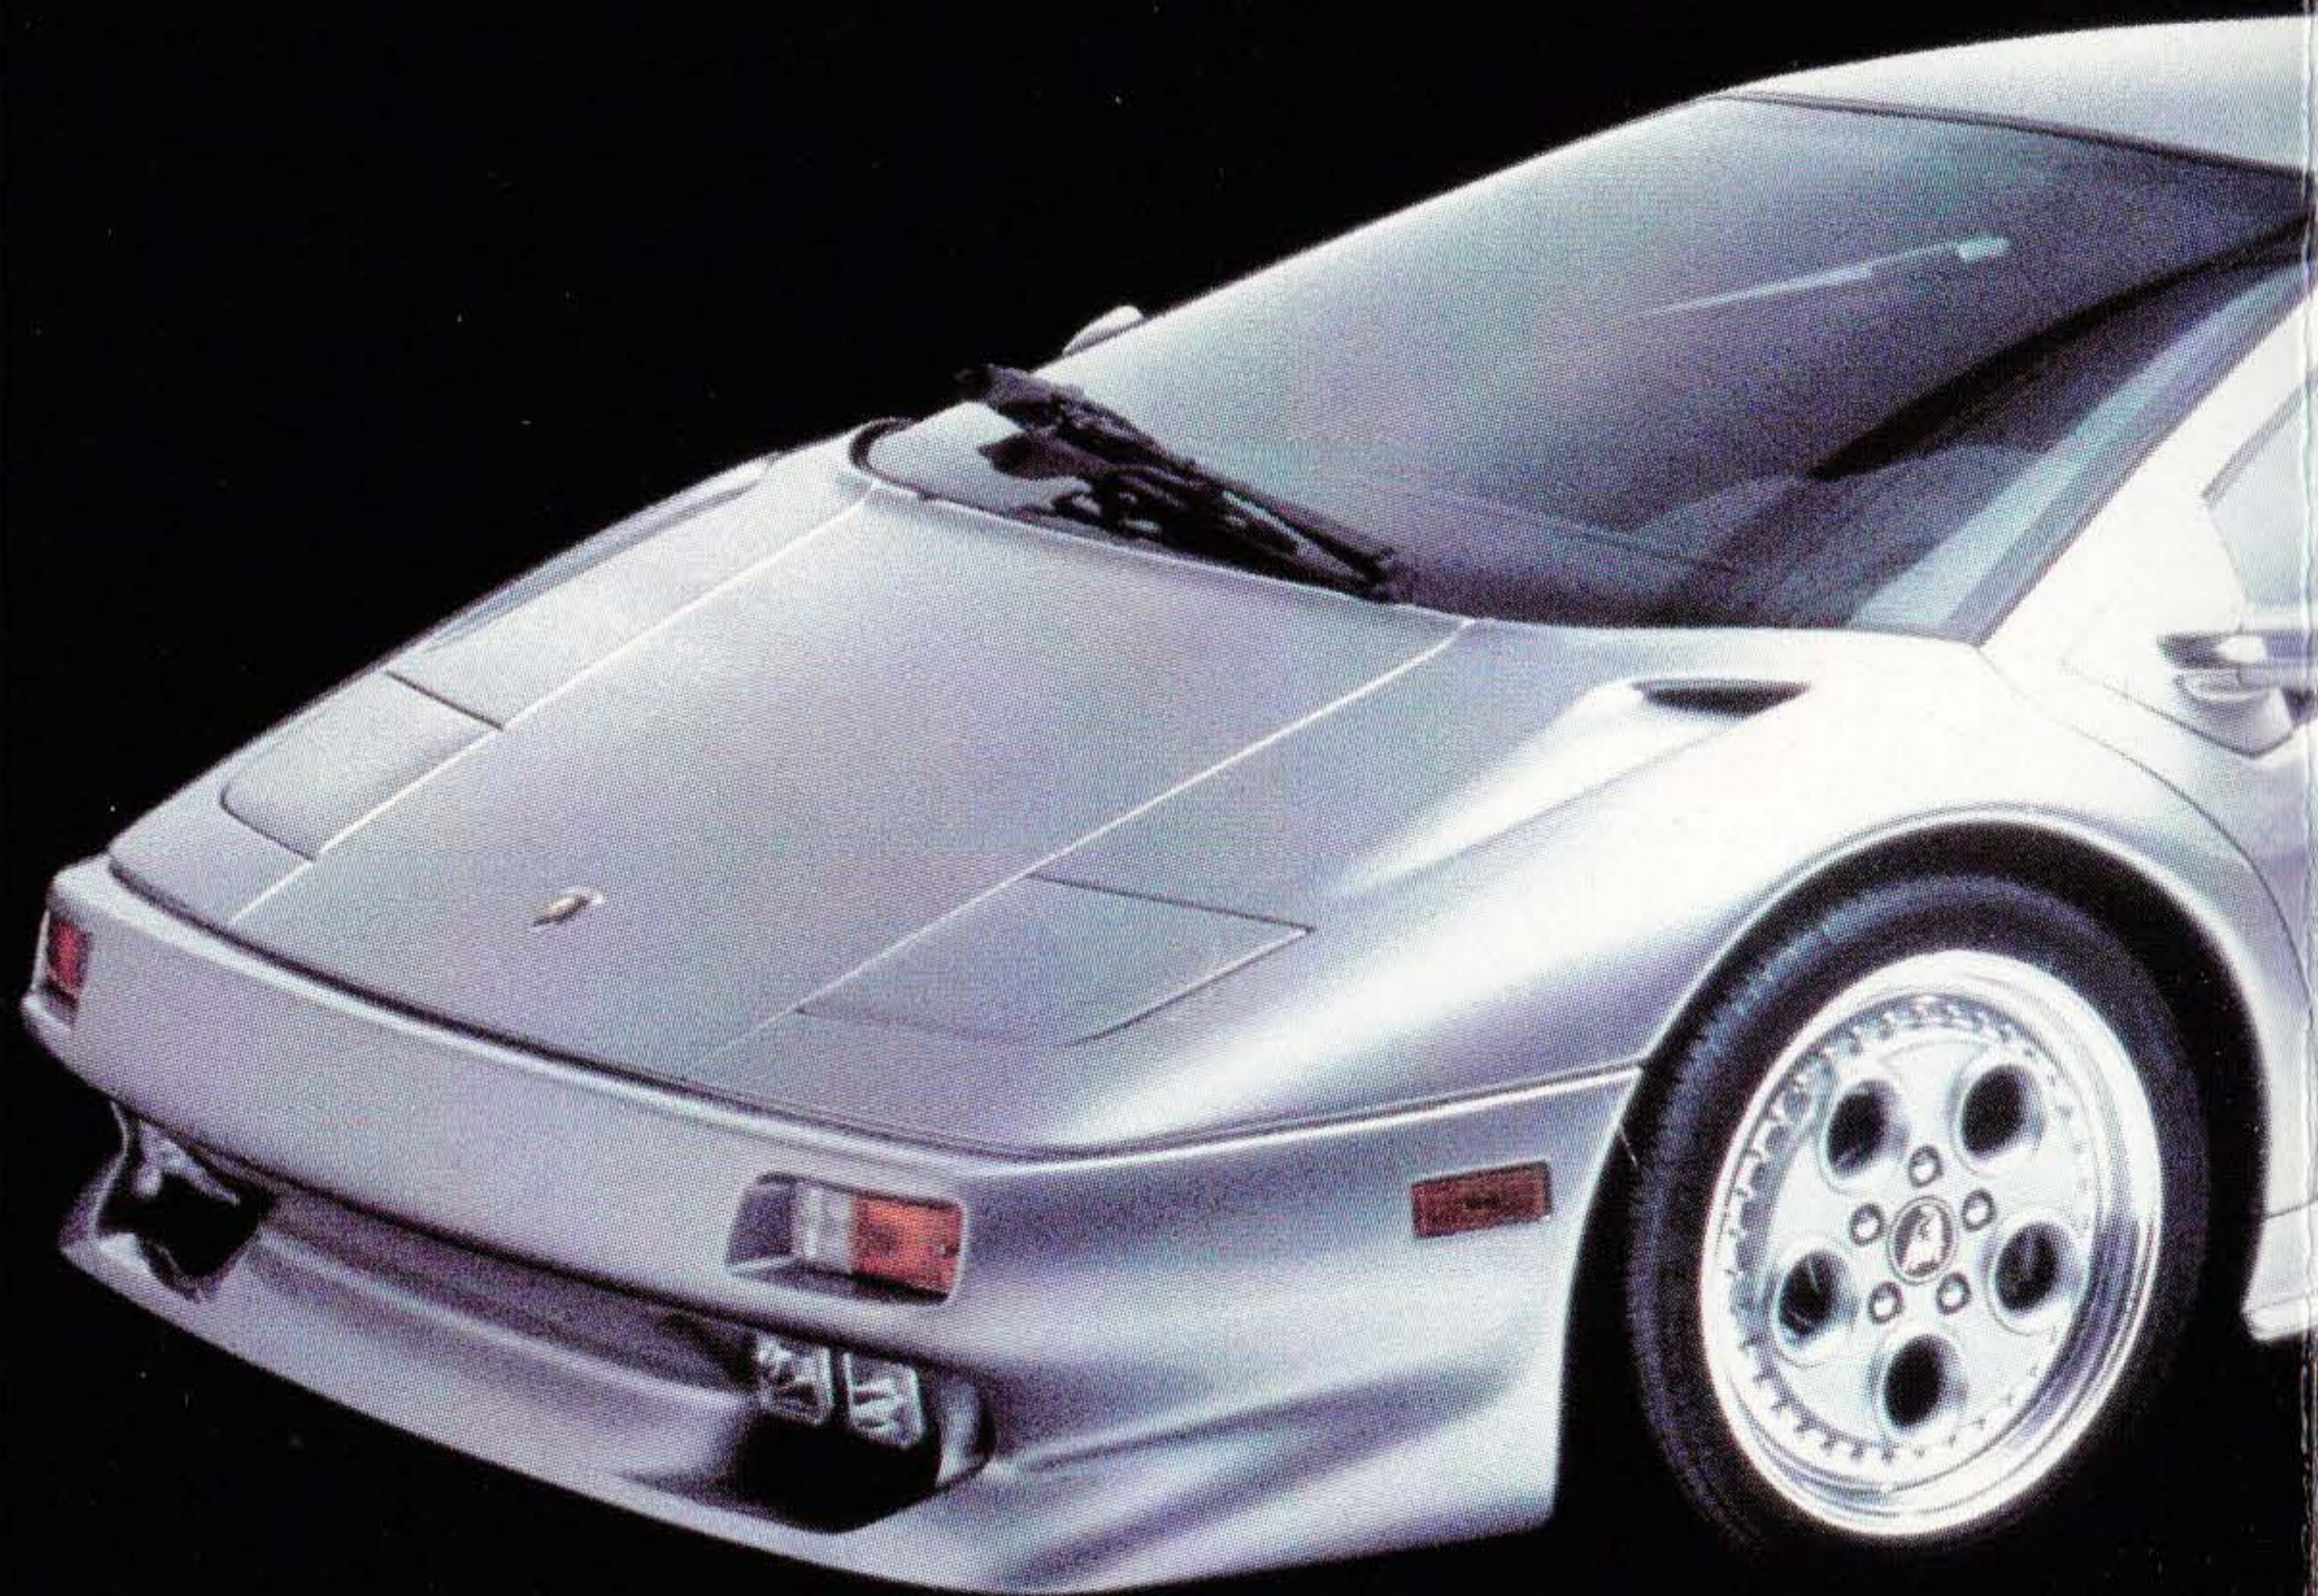

Lamborghini symbolizes speed and sensual beauty.

The new Diablo VT is a passionate celebration of the senses. Press the accelerator and feel the V-12. Hear the 492-horsepower engine breathe life into the Raging Bull, which is eagerly awaiting your every command. Enjoy the all-leather interior as reality rushes by.

Power-assisted steering, active suspension, unequalled performance and remarkable road manners. The Lamborghini Diablo VT is the benchmark of exotic sports cars.

To learn more about owning or leasing a new Lamborghini Diablo VT call **STANFORD** *European* at (415) 324.4488

Experience Lamborghini...Experience the Passion

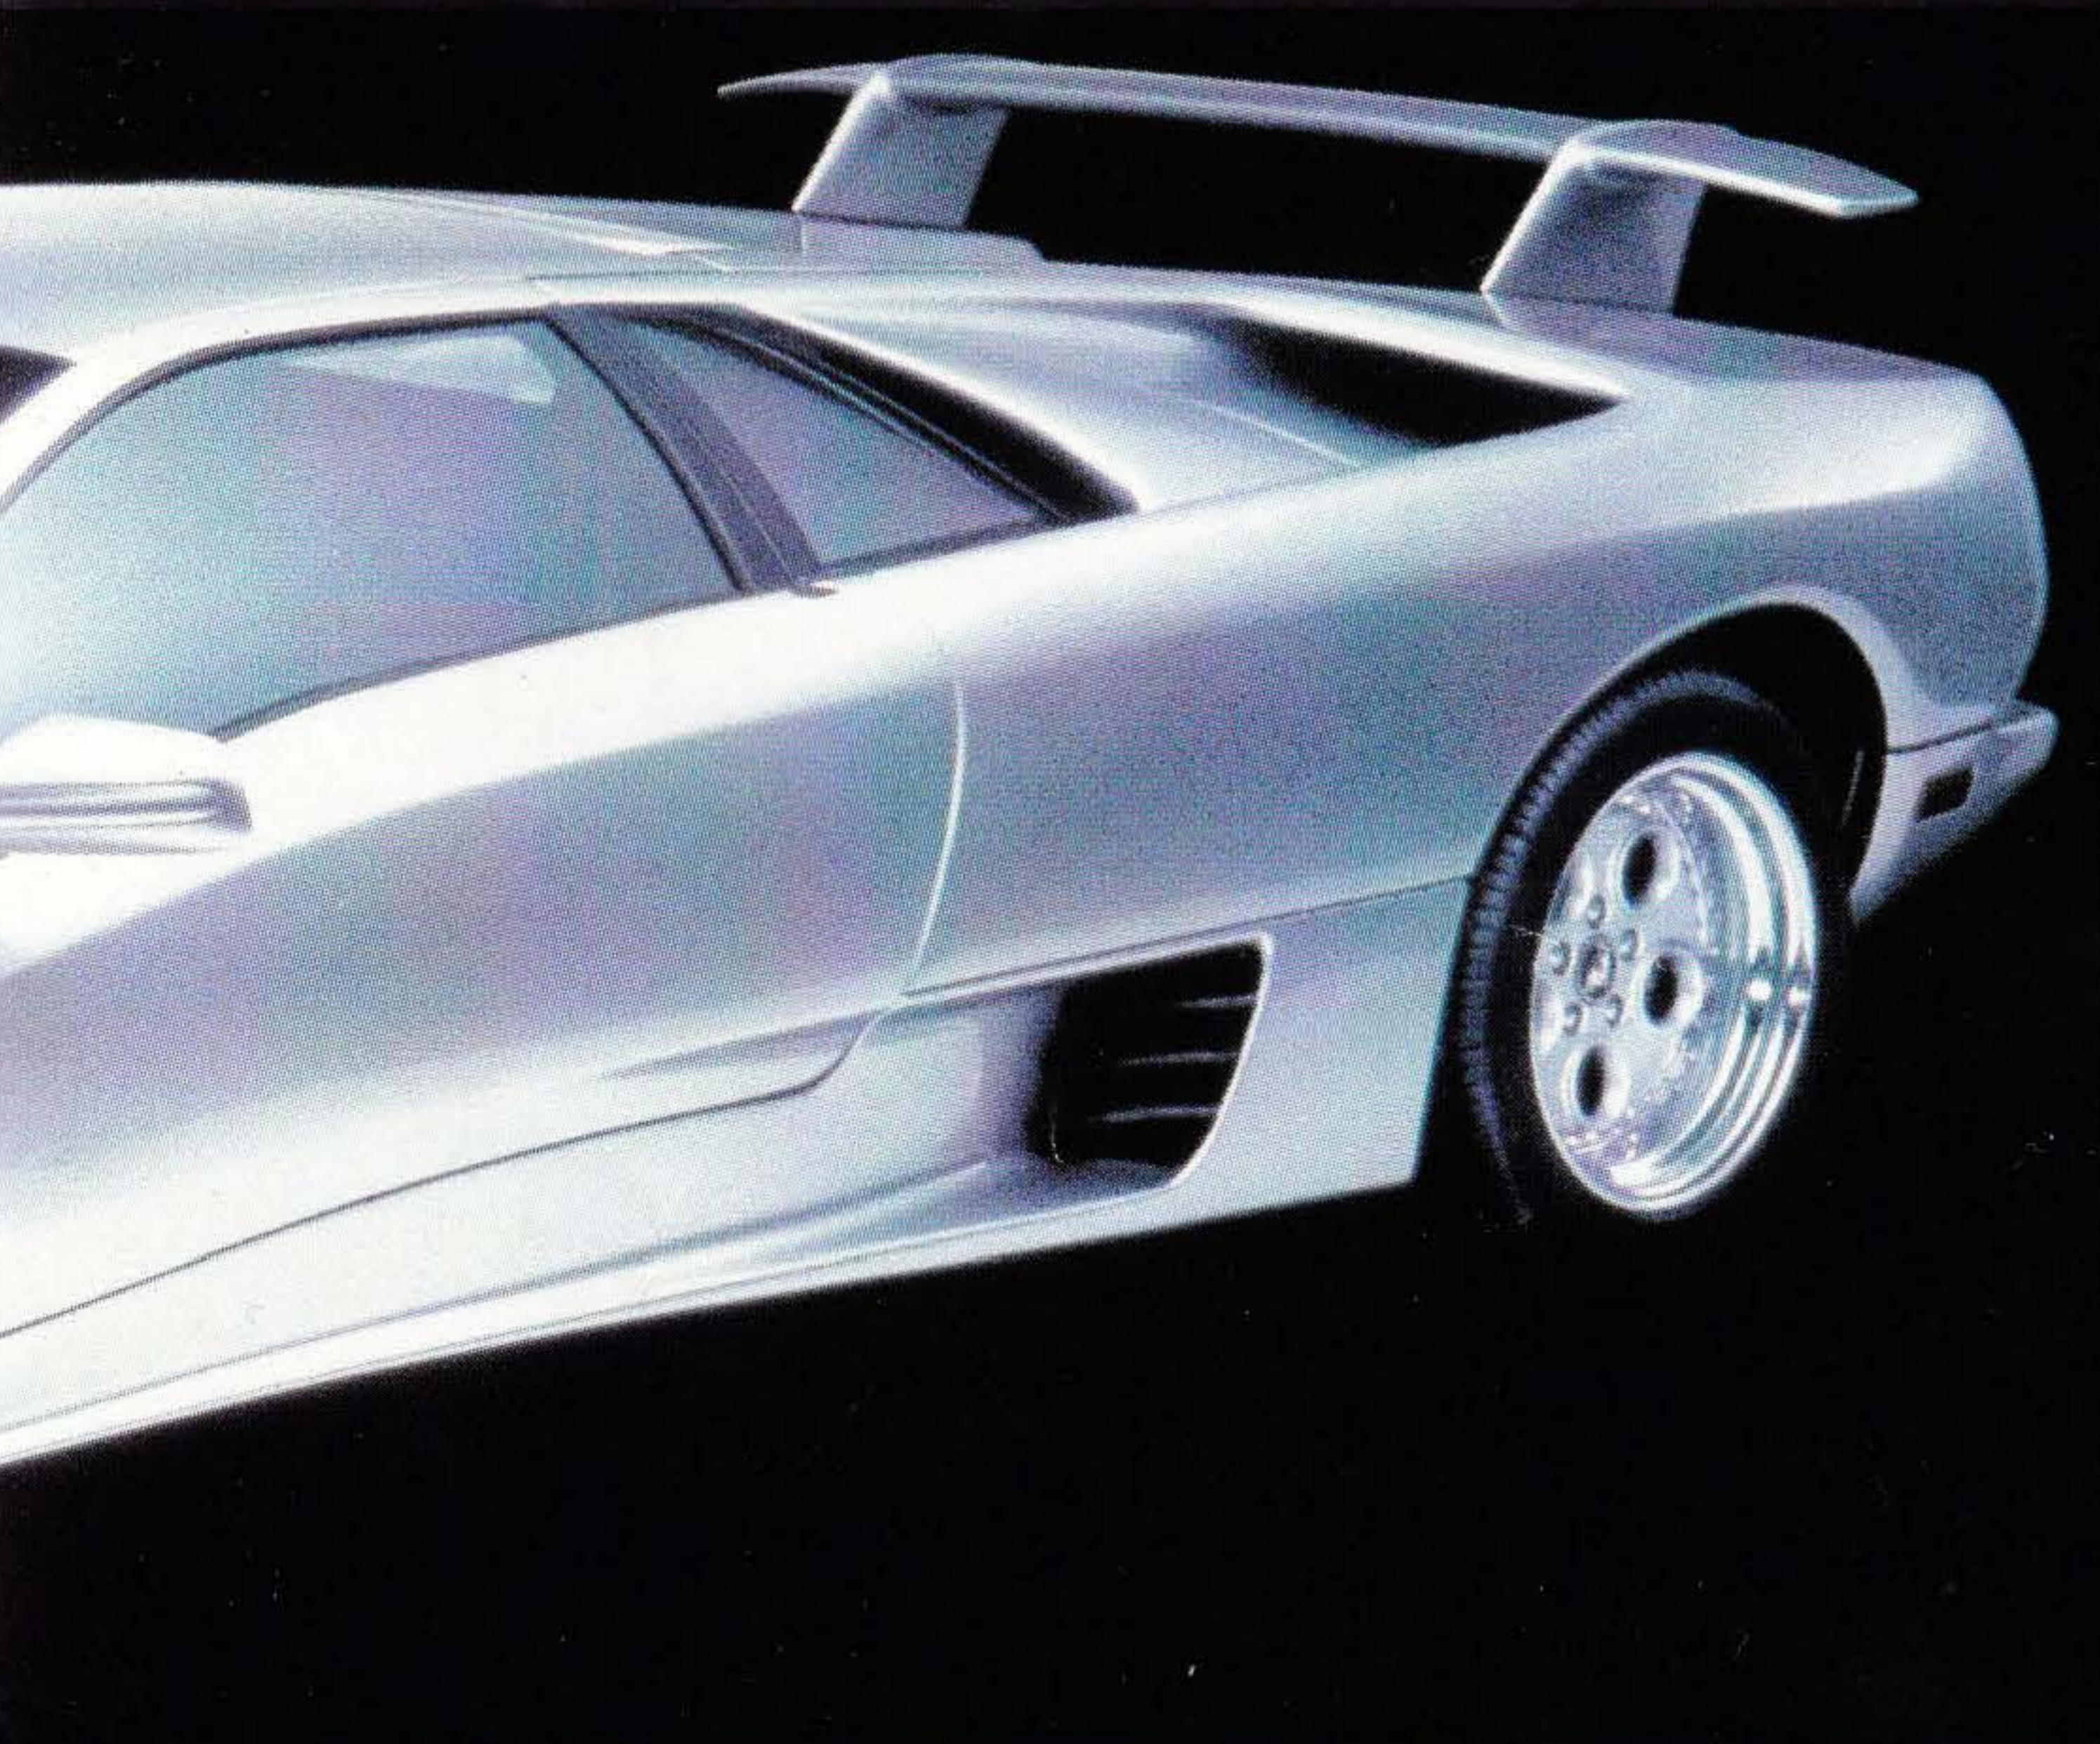

THE RENAISSANCE LEASE

The continuing Celebration of the Renaissance of Lamborghini now allows you to lease the ultimate exotic car without the exotic price. Unleash your passions with the Lamborghini Renaissance Lease that features monthly payments under \$2,999.00*

These are numbers your CPA will love. A modest initial payment, low monthly payments and a guaranteed high residual value at the end of the term. It's that simple.

You'll join the privileged few who are able to experience the most sophisticated exotic sports car in the world—the new Lamborghini Diablo VT.
