The following ads are from Club members as well as other sources. We, also, recommend calling the dealers listed below, as well as checking such publications as the duPont Registry and Hemmings.

The Lamborghini Club America is unable to verify the information submitted for these ads. It is up to the buyer to be knowledgeable about the car or product you are buying. We advise that you become aware of Federal, state and county laws as they apply to you. The registration of a Lamborghini can be different than registering a domestic automobile. Know the law before you buy!!

The Club has two members that publish newsletters that track the current prices of Lamborghinis or features up to date info on used Lamborghinis: the Tower Report published in Berkeley, CA (415-540-6084); and the Dupont Registry (800-233-1731). Some of their classified ads appear below.
